

Prof. Dr. Stefano Passerini

Stefano Passerini is Professor at the Karlsruhe Institute of Technology since January 1, 2014 and Director of the Helmholtz Institute Ulm since October 2018. His research activities are focused on electrochemical energy storage in batteries and supercapacitors. Co-author of more than 500 scientific papers (Scopus H-Index: 74), a few book chapters and several international patents, he has been awarded in 2012 the Research Award of the Electrochemical Society Battery Division. Since 2015 he has been appointed as Editor-in-Chief of the Journal of Power Sources.
