# Solutions for CRITICAL Raw materials - a European Expert Network

## SCRREEN PROJECT TO STRENGTHEN EUROPE'S CRITICAL RAW MATERIAL STRATEGY

30  
MONTHS  
30  
PARTNERS  
15  
COUNTRIES

### OBJECTIVE

- ➔ To create a long-lasting Network, structured in six different expert groups, able to cover the three pillars of CRMs (primary and secondary resources, best alternatives) and to provide policy and technical advices to the European Commission in the field of CRMs

### MAIN ACHIEVEMENTS

- ➔ Mapping of the stakeholders belonging to different communities and CRM value chains mapped  
Two sessions of technical workshops involving Experts in Resources and Policies

The launching event of the project will take place on november 7<sup>o</sup>, during the Raw Materials Week in Brussels

### FUTURE STEPS

- ➔ 30-31 January 2017: two workshop sessions focused on Production and Market

The next workshops for expert groups on Substitution, Resources and Circular Economy, including a clustering event with presentations from coordinators of European projects focused on Circular Economy.

Project ID Card: 730227  
Funding Programme: Horizon 2020  
Status: Running  
Start date: 1st November 2016  
Consortium: 30 partners  
Coordinator: CEA

SCRREEN is supported by key associations, initiatives, industry, SMEs and consultancies in the sector - these stakeholders will also be involved in the project's Expert Network.

**EU Initiatives:** EIT RawMaterials, E-MRS, ERAMIN2, ETP-SMR, SusChem, EUMAT, EURELCO...

**European Associations:** EUROMINES, EUROMETAUX, EFG, PROMETIA, ECGA, EARN, CIME Cluster, Recharge, WEEE Forum...

**International organisations:** AMIRA, CMI, IMA...

**Public Authorities or their representatives:** Lapland Regional Council, French Ministry of Environment, Junta de Castilla y Leon, IGMNIR, EDM, SIEMCALSA...
